

The Railway Nursery

Old School, High Street, Lavendon, Bucks, MK46 4HA

SICKNESS POLICY

To minimise the spread of infection we ask parents / carers NOT to bring unwell children into the nursery. Staff will not accept any child whom they suspect is unwell, or is suffering from an infectious disease.

The nursery will inform all parents / carers of any known infectious disease, and it is also the responsibility of parents / carers to inform the nursery if their child has an illness and is unable to attend.

If your child becomes unwell when attending the Nursery you will be informed immediately and asked to take the child home.

Children with diarrhoea and vomiting will be sent home until they have been symptom free for a full 48 hours.

We as a nursery promote the good health of the children and take positive steps to prevent the spread of infection and take appropriate measures when they are ill.

Lisa Blake
Nursery Manager.
